

## **Rules for the Contest**

1. No use of any computation aids (only graph paper, blank scratch paper, compass, ruler, and protractor allowed).
2. Access the problems and submit your responses only during the 2 hour window in which you open the form.
3. Submit using your real name and email address.
4. Do not discuss problems or solutions with anyone but the directors (only for emergencies) until February 6th, 2022.
5. Make sure to submit BEFORE the time runs out, as the form will not automatically submit for you.
6. If you have any questions or concerns please email [tothelimitmathinc@gmail.com](mailto:tothelimitmathinc@gmail.com), or contact us on our discord at <https://discord.gg/umnF5E4CuR>
